Dewan's Minutes on Municipal File D No 4970/5298

Subject - Levy of Octroi duty on Silk-waste (Jute) and Cocoons in Chennapatna Municipality.

"I find myself in complete agreement with the Hon'ble Minister. This case raises two broad questions of policy which require decision at a Council Meeting

1) There is no such thing as Octroi Duty in any of the provinces The levy of such duty on raw materials required for a manufacturing industry would handicap that industry and place it in a disadvantageous position in competition with industries outside the State

2) A wider issue arises owing to the contemplated Sales Tax Is it not time that Government ~~sterilizes~~ Stabilizes the present position regarding octroi duty levied by Municipalities and does not sanction the raising of the level of such duties or the inclusion of more items for such duty?

These issues will be considered at a very early Meeting of the Council

Meanwhile may I request the Hon'ble Minister for City Municipalities and the Hon'ble Minister for Town Municipalities not to sanction any such proposals?

The subject may be treated as urgent

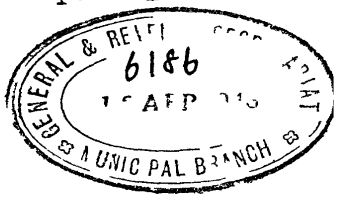
Enclosure — one

Office of the Deputy Commissioner,
Shimoga District,
Shimoga Dated 13th April 1948



To

The Secretary to Government,
Revenue Department,
Bangalore

Sir,

In enclosing herewith the extract of the resolution of the Shikarpur Town Municipal Council dated 22-12-1947, regarding the revision of rates of octroi levied on some octroiable articles and fresh levy of octroi on certain additional items, I have the honour to forward herewith a copy of the Resolution of the Municipal Council on the subject together with a comparative statement showing the existing levy and proposed levy. The Municipal Council expects an increase in Revenue to the extent of Rs 5000/- per year which is proposed to be utilised towards the increased expenditure owing to revision of scale of establishment and towards the Town Improvement Works.

The Municipal Council has also issued notification calling for objections against the proposed increase and fresh levy of the Octroi duties. The served Notifications are enclosed to the records.

It is seen that only one petition by Mr. Rama Shetty objecting to the levy of Octroi on salt has been received. The Council at its meeting held on 22-12-1947 considered the objection petition and opined that the objection put forth is not tenable.

As the prescribed formalities have all been duly observed and the only objection petition put forth has been disposed of, I recommend that sanction of Government may kindly be obtained to the proposal of the Municipal Council for increasing the present rates of Octroi and for levying fresh Octroi as detailed above.

I have the honour to be,
Sir,
Your most obedient servant
D.K. Shantaveera Rao
for Deputy Commissioner,
Shimoga.
